McDonald, G., Taylor, B. & Robinson, C. eds, 2005, Desktop review of regional NRM plans: findings and lessons, Project 3.3.5. Healthy Savanna Planning Systems, Tropical Savannas Management CRC, Darwin.

Robinson, C.J., Smyth, D. & Whitehead, P.J. 2006, Managing for Country, Decision-making guidelines for joint management of feral animals in Kakadu National Park, Report to the Kakadu Board of Management, Jabiru.

Smajgl, A. & S. Larsen 2006, 'Adapting rules for sustainable resource use', CSIRO Sustainable Ecosystems, Townsville, 145 pp.

Walker, D., Morley, M., Stewart, B., Prosser, I., Plummer, I., Taylor, B, Freudenberger, D. & McDonald, G. 2006, Integrating Science into Natural Resource Management through NHT and NAP, Report to the Natural Resource Policies and Programs Committee May 2006, prepared by CSIRO, Land and Water Australia & the Australian Bureau of Meteorology.

2006, NAILSMA Strategic Planning Workshop Outcomes, 8–9 March, North Australian Land and Sea Management Alliance, Darwin, NT.

2006, Dugong and marine Turtle knowledge handbook, North Australian Land and Sea Management Alliance, Darwin, NT.

2006, Indigenous interests in tropical rivers, A scoping study for Land and Water Australia's Tropical Rivers Program, report prepared for the North Australian Land and Sea Management Alliance.

2006, Forum Report, September 2005, North Australian Land and Sea Management Alliance, Darwin, NT.

2006, NAILSMA Youth Forum Report, March, North Australian Land and Sea Management Alliance, Darwin, NT.

## **Presentations**

### **National**

Bray, S. Krull, E., Rutherford M. & Harms, B. 2005 'Queensland's remnant woodlands have changed, leading to an increased store of biomass carbon', presentation to Greenhouse 2005, Melbourne, November 13–17.

Chong, C. 2005, 'Riparian seedling sprouting ability and growth traits: functional strategies in a disturbance-prone system?' Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, 28 November–2 December.

Chong, C. 2005, 'Riparian seedling resprouting ability and growth traits: functional strategies in a disturbance-prone ecosystem?', BZoNQ – Biological and Zoological Organisation of North Queensland Annual Conference, James Cook University, Townsville, 14–15 November.

Crowley, G. 2005, 'Biodiversity information for Australian tropical savanna management', paper presented to the Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, Brisbane, 28 November–2 December.

Dawes-Gromadzki, T.Z., Brandis, A.M., Cook, G.D. & Liedloff, A.C. 2005, 'Healthy Soils, Healthy Water', paper presented to the Rainforest to Reef Conference, Townsville, 22–24 November.

Dawes-Gromadzki, T.Z., Cook, G.D., Liedloff, A.C. & Brandis, A.M. 2005, 'The effects of cattle grazing on the functional role of soil macroinvertebrates in rainwater capture in semi-arid savannas', paper presented to the Australian Entomological Society's 36<sup>th</sup> AGM and Scientific Conference, 7<sup>th</sup> Invertebrate Biodiversity and Conservation Conference & Society of Systematic Biologists Conference, Australian National University, Canberra, 4–9 December.

Douglas, M.M., Setterfield, S.A, O'Connor, R.A., Ferdinands, K., Rossiter, N.A., Brooks, K., Ryan, B., Parr, C. 2005, 'NT Different weeds, different habitats, same effects: Exotic grass invasion in tropical woodlands and wetlands', paper presented to the Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, Queensland, 28 November–2 December.

Eyre, T., Kutt, A., Kelly, A., Venz, M. & Ferguson, D. 2005, 'Evaluation of BioCondition, a Vegetation Assessment Tool for Biodiversity—Does a Simple Metric Reflect Species Diversity?' paper presented to the Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, 28 November–2 December.

Freeman, J. & A. Petty. 2005, 'Bouncing back from buffalo: Vegetation and channel change on the South Alligator floodplain', paper presented to the North Australian Remote Sensing and GIS (NARGIS 2005), Charles Darwin University, Darwin, NT, 4–7 July.

Guenther, J. 2005, 'Identity formation in Vocational education and training', paper presented to the National Centre for Vocational Education Research (NCVER) Conference, Wodonga, 5–8 July.

Guenther, J. 2006, 'Partners in practice: does the national VET rhetoric connect with reality?', paper presented to the Australian Vocational Education and Training Research Association (AVETRA) Conference, Wollongong, 19–21 April.

Guenther, J. 2006, 'Pathways to effective training outcomes: Lessons from northern Australia', paper presented to AVETRA conference, Brisbane, 19–21 April.

Guenther, J. 2005, 'What makes vocational education and training outcomes effective in tropical savanna communities? With special reference to tourism and hospitality', Paper presented to the Council for Australian University Tourism and Hospitality Education (CAUTHE) conference, Alice Springs, XX February.

Johansen, K. & Phinn, S. 2005, 'Characteristics of Savanna Riparian Zones and their Implications for Mapping Riparian Health Indicators for High Spatial Resolution Satellite Imagery', North Australian Remote Sensing and GIS Conference, Darwin, 4–7 July.

Kutt, A. 2005, 'Vegetation structural change and biodiversity', paper presented to the Vegetation Thickening Forum, Queensland Landcare Conference, Barcaldine, Queensland, 4–7 August.

Kutt, A. & O'Reagain, P. 2005, 'Long term effects of different grazing strategies on wildlife and pastoral production in a semi-arid tropical savanna woodland', paper presented to the Ecological Society of Australia, Annual Symposium, University of Queensland, Brisbane, 28 November–2 December.

Liedloff, A.C., Ludwig, J.A., Bartley R. & Coughenour, M.B. 2005, 'Modelling tropical landscapes for ecological management: what can we learn from preliminary Savanna.au simulations?' paper presented to the International Congress on Modelling and Simulation (MODSIM 05), Melbourne, 13 December.

McAlpine, C. & Heyenga, S. 2005, 'Planning in the Outback: How Sound is the Native Vegetation and Biodiversity Content of Regional NRM Plans in Queensland's Rangelands?' paper presented to the Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, 28 November–2 December.

Morrison, J. 2006, 'Managing for the future: A culture based economy for northern Australia', paper presented to the Charles Darwin Symposium Series 2006, When People And Environment Collide In The Tropics, Charles Darwin University, Darwin, 11–12 May.

Morrison, J. & Fenton, J. 2006, 'Climate change impacts on culture', paper presented to the Sharing Knowledge: A Workshop on Climate Change Impacts and Adaptation Strategies for Northern Australian Indigenous Communities, CSIRO, Darwin, 29–31 March.

Moffatt, J. 2005, 'Engaging rural and remote communities: a practice framework', paper presented to the International Conference on Engaging Communities, Brisbane, 14–17 August.

Parr K. Rysavy H. & Wurm P. 2006, 'Fire ecology and management' invited paper presented to the 2006 Teaching and Learning Forum, Charles Darwin University, Darwin, NT, 10–13 April.

Pero, L. 2005, 'From governance rhetoric to practical reality: Making community-based natural resource management decision-making work', paper presented to the Ecopolitics XVI conference, Brisbane, 4–6 July.

Robinson, C.J. 2006, 'Evaluating Indigenous co-management agreements—perspectives from Northern Australia', paper presented to the International Geographical Union Conference, Brisbane, 3–7 July.

Ryan, B., Parr, C. & Setterfield S.A. 2005, 'The effect of *Andropogon gayanus* on native ant communities in a northern Australian savanna', paper presented to the Ecological Society of Australia Annual Symposium, University of Queensland, Brisbane, 28 November–2 December.

Smith, C., Russell, I. & King C. 2005, 'Rats and Rice: Belief Network Models of Rodent Control in the Rice Fields of Cambodia', paper presented to the Modelling and Simulation Society of Australia and New Zealand (MODSIM 05) Conference, Melbourne, 13 December.

Williams, R. Hutley, L. Cook, G, Edwards, A. Russell-Smith, J., Beringer, J., Liedloff, A. 2005, 'Bio-sequestration of Carbon in Australia's tropical savannas: Capacity, Uncertainties and Opportunities' presentation to Greenhouse 2005, Melbourne, 13–17 November.
